Henderson Engineers, Inc. promotes two to Vice President, four to Associate

Lenexa, Kan. – Henderson Engineers, Inc. is pleased to announce the following promotions:

Tom Simmons has been promoted to Vice President. Simmons is the Director of Houston Operations and a Professional Engineer with over 30 years of experience in the Commercial and Healthcare industries. Prior to joining Henderson, Simmons was a Principal with a national engineering firm.

Rick Eicher has been promoted to Vice President. Eicher is the Director of Henderson's Dallas office and is a licensed engineer with over 14 years of experience in the Mechanical/Electrical/Plumbing industry. Eicher worked for several years at Henderson's Houston office, relocating two years ago to open and manage the Dallas office.

Mike Gallagher has been promoted to Associate. Gallagher is the Director of Operations and has been an integral part of the growth and success of Henderson's Tampa office.

Anthony Martin has been promoted to Associate. Martin has been with the firm for seven years and relocated two years ago to help manage the Dallas office. He has worked on a variety of projects including retail, education, government and one-of-a-kind commercial projects. He is a LEED® Accredited Professional and his specific areas of expertise include sustainable design and energy modeling.

Sarah Kirwin has been promoted to Associate. Kirwin is a team leader/project manager for Henderson's Phoenix office and works on a variety of educational, commercial, retail and restaurant projects.

Allen Bray has been promoted to Associate. Bray is a program manager and team leader for one of Henderson's internal design teams, specializing in adaptive reuse.
