HENDERSON ENGINEERS, INC. PROMOTES A NEW DIRECTOR OF HUMAN RESOURCES AND FIVE TO ASSOCIATE

Lenexa, Kan. – Henderson Engineers, Inc. is pleased to announce the following promotions:

Stacey Crabtree has been promoted to Director of Human Resources. Stacey was previously the HR Compliance Administrator for HNTB and has a Master's Degree in Human Relations from the University of Oklahoma. She has over 16 years experience in Human Resources and Employee Relations.

David Darby has been promoted to Associate. David is a Professional Mechanical Engineer and LEED Accredited Professional with nine years of experience. He played an integral role in the success and growth of Henderson's Houston office as one of its first employees in 2003.

Brenton Norton has been promoted to Associate. Brenton is a Professional Electrical Engineer and has worked on a variety of retail, healthcare and industrial projects. Brenton was one of the first employees of Henderson's Houston office.

Jason Zoeller has been promoted to Associate. Jason has been with Henderson since 2002 and relocated to the Las Vegas office in 2008. Jason is working on the Las Vegas Convention Center, in addition to co-leading the firms Las Vegas office.

Mark Stainbrook has been promoted to Associate. Mark has been with the company for nine years and is a project manager for the company's largest retail client.

Don Clark has been promoted to Associate. Don has 27 years of experience and has overseen the success of several of the firm's largest projects including the Bartle Hall renovation and expansion and the Las Vegas Convention Center renovation and expansion.

About Henderson Engineers, Inc.

Henderson Engineers, Inc. was founded in 1970 and provides mechanical, electrical, and plumbing design services through its headquarters in Kansas City, as well as Las Vegas, Phoenix, Houston, Dallas, Tampa, Bentonville, and Manhattan. Henderson houses four specialty divisions: Fire Dynamics, Impact Illumination, Collective Tech and Outcome Commissioning. Licensed in all 50 states, HEI is comprised of over 450 employees including over 100 Licensed Engineers and over 50 LEED® Accredited Professionals. Henderson's awards include PM Engineer Magazine's Engineer of the Year and Building Design and Construction Magazine's Top 25 Engineering Design Firm since 2001.
